Year 7 Computing

Autumn	Spring	Summer
Autumn Term 1: Introduction Kensuke's Kingdom Viruses, Passwords and Digital Footprints **Autumn Term 2:** History of Computing	**Spring Term 1:** History of Computing continued **Spring Term 2:** Spreadsheets	**Summer Term 1:** Spreadsheets continued **Summer Term 2:** Introduction to Scratch

Assessment and Exams

Autumn	Spring	Summer
Autumn Term 1: Viruses, Passwords and Digital Footprints assessment activity – by Friday 27th October **Autumn term 2:** History of Computing mid assessment activity – by Wednesday 20th December	**Spring Term 1:** History of Computing assessment activity – by Friday 16th February **Spring Term 2:** Spreadsheets mid assessment activity by Thursday 29th March	**Summer Term 1:** Spreadsheets assessment activity – by Friday 25th May **Summer Term 2:** Introduction to Scratch assessment activity – by Friday 20th July

Year 8 Computing

Autumn	Spring	Summer
Autumn Term 1: Introduction Hardware and Software **Autumn Term 2:** Logic	**Spring Term 1:** Logic continued **Spring Term 2:** Algorithms	**Summer Term 1:** Algorithms continued **Summer Term 2:** Introduction to Python

Assessment and Exams

Autumn Term 1: Hardware and software assessment activity – by Friday 27th October **Autumn term 2:** Logic mid assessment activity – by Wednesday 20th December	**Spring Term 1:** Logic assessment activity – by Friday 16th February **Spring Term 2:** Algorithms mid assessment activity – by Thursday 29th March	**Summer Term 1:** Algorithms assessment activity – by Friday 25th May **Summer Term 2:** Introduction to Python assessment activity – by Friday 20th July

Year 9 Computer Science

Autumn	Spring	Summer
Autumn Term 1: Introduction Computer Systems	**Spring Term 1:** Computer Networks	**Summer Term 1:** Algorithms
Autumn Term 2: Computer Systems continued	**Spring Term 2:** Computer Networks continued	**Summer Term 2:** Data Representation

Assessment and Exams

Autumn Term 1: Computer Systems mid assessment activity – by Friday 27th October	**Spring Term 1:** Computer Systems and Networks assessment activity – by Friday 16th February	**Summer Term 1:** Computer Systems, Networks and Algorithms assessment activity – by Friday 25th May
Autumn term 2: Computer Systems assessment activity – by Friday 20th December	**Spring Term 2:** Computer Systems and Networks assessment activity – by Thursday 29th March	**Summer Term 2:** Computer Systems, Networks, Algorithms and Data Representation assessment activity – by Friday 20th July

Year 9 Business

Autumn	Spring	Summer
Autumn Term 1: Theme 1: Enterprise and entrepreneurship **Autumn Term 2:** Theme 1: Enterprise and entrepreneurship continued	**Spring Term 1:** Theme 1: Spotting a Business Opportunity **Spring Term 2:** Theme 1: Spotting a Business Opportunity continued	**Summer Term 1:** Theme 1: Putting a business idea into practice **Summer Term 2:** Theme 1: Putting a business idea into practice continued
Assessment and Exams		
Autumn Term 1: Theme 1 assessment activity – by Friday 27th October **Autumn term 2:** Theme 1 assessment activity – by Friday 20th December	**Spring Term 1:** Theme 1 assessment activity – by Friday 16th February **Spring Term 2:** Theme 1 assessment activity – by Thursday 29th March	**Summer Term 1:** Theme 1 assessment activity – by Friday 25th May **Summer Term 2:** Theme 1 assessment activity – by Friday 20h July

Year 9 Media

Autumn	Spring	Summer
Autumn Term 1: Introduction to Media and Component One Section A: Advertising & Marketing: *Quality Street & This Girl Can* **Autumn Term 2:** Component One Section B: *Film Industry & Spectre* Component One Section A: Magazines analysis: *GQ & Pride*	**Spring Term 1:** Component Two Section A: TV Genre: Crime Drama – *Luther & The Sweeny* **Spring Term 2:** Component Two Section A: TV Genre: Crime Drama – *Luther & The Sweeny*	**Summer Term 1:** Consolidation: Component One Section A: Advertising & Marketing: *Quality Street & This Girl Can* **Summer Term 2:** Consolidation: Component Two Section A: TV Genre: Crime Drama – *Luther & The Sweeny* Component One Section B: *Film Industry & Spectre* Component One Section A: Magazines analysis: *GQ & Pride*

Assessment and Exams		
Autumn Term 1: Assessment activity – by Friday 27th October **Autumn term 2:** Assessment activity – by Friday 20th December	**Spring Term 1:** Assessment activity – by Friday 16th February **Spring Term 2:** Assessment activity – by Thursday 29th March	**Summer Term 1:** Assessment activity – by Friday 25th May **Summer Term 2:** Assessment activity – by Friday 20th July

Year 10 Computer Science

Autumn	Spring	Summer
Autumn Term 1: Cyber Security	**Spring Term 1:** Ethics, Legal and Environmental Issues continued	**Summer Term 1:** Programming
Autumn Term 2: Ethics, Legal and Environmental Issues	**Spring Term 2:** Programming	**Summer Term 2:** Programming and Software Development

Assessment and Exams

Autumn Term 1: Computer Systems, Networks, Algorithms and Data Representation and Cyber Security assessment activity – by Friday 27th October	**Spring Term 1:** Computer Systems, Networks, Algorithms and Data Representation, Cyber Security and Ethics, legal and environmental issues assessment activity – by Friday 16th February	**Summer Term 1:** Computer Systems, Networks, Algorithms and Data Representation, Cyber Security and Ethics, legal, environmental issues and Programming assessment activity – by Friday 25th May
Autumn term 2: Computer Systems, Networks, Algorithms and Data Representation, Cyber Security and Ethics, legal and environmental issues assessment activity – by Friday 20th December	**Spring Term 2:** Computer Systems, Networks, Algorithms and Data Representation, Cyber Security and Ethics, legal, environmental issues and Programming assessment activity – by Friday 29th March	**Summer Term 2:** Computer Systems, Networks, Algorithms and Data Representation, Cyber Security and Ethics, legal, environmental issues and Programming assessment activity – by Friday 20th July

Year 10 Business		
Autumn	**Spring**	**Summer**
Autumn Term 1: Theme 1: Making the business effective **Autumn Term 2:** Theme 1: Making the business effective continued	**Spring Term 1:** Theme 1: Understanding external influences on business **Spring Term 2:** Theme 2: Growing the business	**Summer Term 1:** Theme 2: Growing the business continued **Summer Term 2:** Theme 2: Making marketing decisions
Assessment and Exams		
Autumn Term 1: Theme 1 assessment activity – by Friday 27th October **Autumn term 2:** Theme 1 assessment activity – by Friday 20th December	**Spring Term 1:** Theme 1 assessment activity – by Friday 16th February **Spring Term 2:** Theme 1 and 2 assessment activity – by Friday 29th March	**Summer Term 1:** Theme 1 and 2 assessment activity – by Friday 25th May **Summer Term 2:** Theme 1 and 2 assessment activity – by Friday 20th July

Year 10 Media		
Autumn	**Spring**	**Summer**
Autumn Term 1: Component One Section A: Advertising & Marketing: *Quality Street & This Girl Can* **Autumn Term 2:** Component One Section B: *Film Industry & Spectre* Component One Section A: Magazines analysis: *GQ & Pride*	**Spring Term 1:** Component Two Section A: TV Genre: Crime Drama – *Luther & The Sweeny* **Spring Term 2:** Component Two Section A: TV Genre: Crime Drama – *Luther & The Sweeny*	**Summer Term 1:** Component 3: Practical Projection Project **Summer Term 2:** Component 3: Practical Projection Project
Assessment and Exams		
Autumn Term 1: Assessment activity – by Friday 27th October **Autumn term 2:** Assessment activity – by Friday 20th December	**Spring Term 1:** Assessment activity – by Friday 16th February **Spring Term 2:** Assessment activity – by Friday 29th March	**Summer Term 1:** Assessment activity – by Friday 25th May **Summer Term 2:** Submission of final project 30th June

Year 11 Computer Science

Autumn	Spring	Summer
Autumn Term 1: Programming and Software Development	**Spring Term 1:** Coursework	**Summer Term 1:** Revision
Autumn Term 2: Coursework	**Spring Term 2:** Ethics, Legal and Environmental Issues	

Assessment and Exams

Autumn Term 1: Computer Systems, Networks, Algorithms and Data Representation and Programming assessment activity – by Friday 27th October	**Spring Term 1:** Controlled assessment activity completed by Friday 16th February Computer Systems, Networks, Algorithms, Data Representation, Programming and Cyber Security assessment activity – by Friday 16th February	**Summer Term 1:** Paper 1 –Exam 14th May Paper 2 – Exam 17th May
Autumn term 2: Computer Systems, Networks, Algorithms, Data Representation, Programming and Cyber Security assessment activity – by Friday 20th December	**Spring Term 2:** Computer Systems, Networks, Algorithms, Data Representation, Programming, Cyber Security and Ethics, Legal and Environmental Issues assessment activity – by Friday 29th March	

Year 11 Business Studies

Autumn	Spring	Summer
Autumn Term 1: Theme 2 Coursework Preparation and Completion **Autumn Term 2:** 1.5 Understanding the economic context 3.1 Marketing 3.2 Customer needs	**Spring Term 1:** 3.3 Effective financial management 3.4 Effective people Management **Spring Term 2:** 3.5 The Wider world effecting business Theme 1 Revision	**Summer Term 1:** Theme 1 and 3 Revision

Assessment and Exams

Autumn Term 1: Theme 2 controlled assessment completion – by Friday 27th October **Autumn term 2:** Theme 1 assessment activity – by Friday 20th December	**Spring Term 1:** Theme 1/3 assessment activity – by Friday 16th February **Spring Term 2:** Theme 1/3 assessment activity – by Friday 29th March	**Summer Term 1:** Theme 1 Exam 23rd May Theme 3 Exam 6th June

Year 11 Media

Autumn	Spring	Summer
Autumn Term 1: Practical production horror project **Autumn Term 2:** Practical production horror project	**Spring Term 1:** Exam Topic: Serial TV Drama **Spring Term 2:** Exam Topic: Serial TV Drama	**Summer Term 1:** Revision
Assessment and Exams		
Autumn Term 1: Assessment activity – by Friday 27th October **Autumn term 2:** Final project submission Friday 15th December	**Spring Term 1:** Assessment activity – by Friday 16th February **Spring Term 2:** Assessment activity – by Friday 29th March	**Summer Term 1:** Exam 13th June
