

ACHIEVE WITH US

At Rayner Stephens High School, we offer a broad, balanced, and academically challenging curriculum designed to inspire a love for learning and curiosity. Our experienced and passionate teachers provide personalised support and guidance, ensuring that every student realises their aspirations and achieves their full potential. With state-of-the-art facilities, including advanced science labs, a comprehensive library, ICT suites, and creative arts studios, our students have access to the resources they need to excel.

DEVELOP WITH US

Our inclusive community celebrates diversity and lives our core values of respect, resilience, and aspiration. Our strong pastoral care system provides health and wellbeing support, helping students grow into well-rounded individuals ready to face future challenges. This is why we have developed and implemented the Personal Development Plus (PD+) programme which will give all students the opportunity to experience a wide and diverse selection of extra-curricular options. We believe that the PD+ programme is an integral part of the education that our students experience at Rayner Stephens High School and that it is taking part in these activities outside the classroom that allows them to become confident, flexible and resilient young adults, ready to take on future challenges.

All of the activities add value, enrich knowledge and tap into unknown potential - equipping them with the skills and values needed to meet the challenges of a changing society and to provide the best possible educational foundations for life.

I am pleased to boast that my granddaughter goes to this school, they have many dedicated teachers that work above and beyond their duties. The children attending this school are very lucky.

THRIVE WITH US

Rayner Stephens High School is committed to preparing students for future academic and career success. Our strong track record of student achievement, combined with our emphasis on personal development, ensures that students are well-equipped to progress onto their next steps.

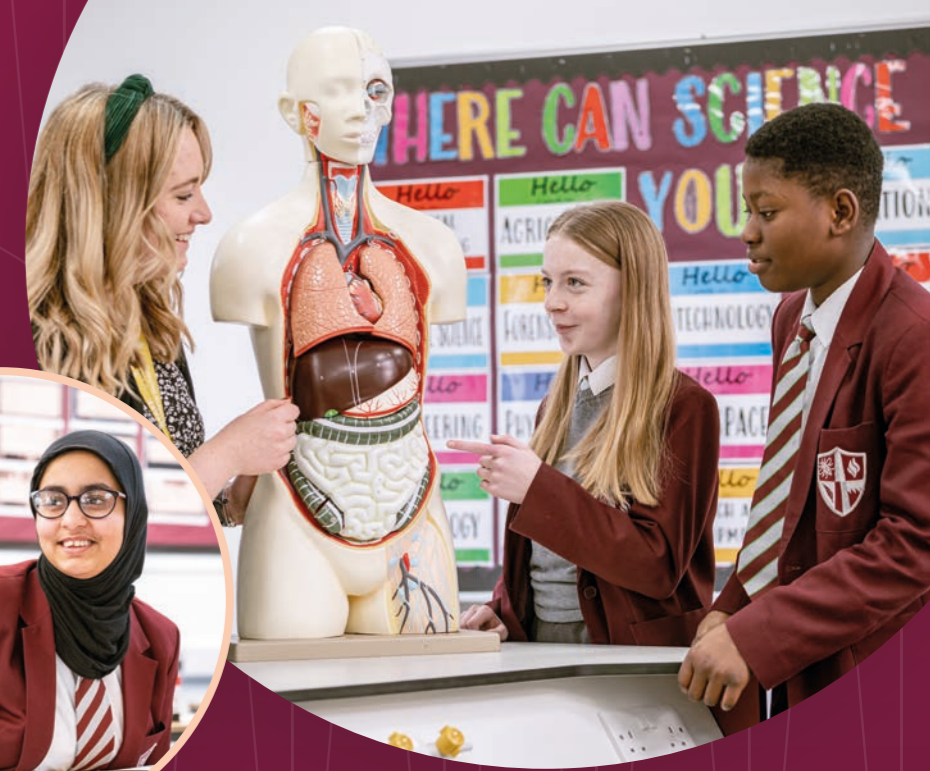

Inclusion is at the heart of everything we do. Our award-winning inclusion programme is designed to remove barriers to learning and ensure that every student can thrive. We are proud to have been recognised as an IQM Flagship School, an accolade awarded to only a handful of schools each year for outstanding inclusion practices.

We believe every child deserves the opportunity to make outstanding progress, regardless of their background or needs. Our dedicated Inclusion Team works tirelessly to provide personalised support, ensuring that all learners, including those with special educational needs and disabilities (SEND), receive the resources and assistance they need. This includes tailored learning plans, one-on-one support, and access to our specialised resource centre, The Hive, which supports the academic and emotional wellbeing of our students.
